

T³™ Regional Summits

Teachers Teaching
with Technology™

Professional development from Texas Instruments

T³™ Regional Summit: California June 13, 2024 | 8:15 a.m. - 4:30 p.m.

Northridge Academy High School | 9601 Zelzah Ave | Northridge, California 91325

What to expect from your T³™ Regional Summit:

- ❖ Attend a total of four sessions featuring hands-on, interactive professional learning on the topic of your choice.
- ❖ Receive TI technology and training materials given to you on site.
- ❖ Receive a Certificate of Attendance which may be accepted for school or district professional development credit. TI Education Technology professional development may satisfy NBCT professional development hours and GATE hours.
- ❖ Continental breakfast and lunch are included.
- ❖ We will follow local protocols and safety recommendations and request that all attendees do the same for the health of all in attendance.
- ❖ In the event the summit is canceled, all registrants will be notified as soon as possible and registration fees will be refunded in full.

Pricing

\$250 — Summit registration includes your choice of the following:

- ❖ TI-Nspire™ CX II CAS graphing calculator and TI-Nspire™ CX Premium Teacher Software.
- ❖ TI-84 Plus CE Python graphing calculator and TI-SmartView™ CE emulator software for the TI-84 Plus graphing family.
